Bob Hansing Series Sponsored by

Juniors Race Free Courtesy of

Official Sports Drink

Official Drive Train Components

Omnium race entry fees will be \$15 per racer, and will include Madison race entry fee for racers with a Professional, Category 1, 2 or 3 license.

Racers only racing the Madison will be charged \$30 per team.

Additional omnium categories may be entered at each event for \$10 each.

Race entry fees include track usage fee at the Encino Velodrome.

Juniors race for free at all events in 2008 at the Encino Velodrome courtesy of the Southern California / Nevada Cycling Association.

Reigning National and World Champions who notify the race director of their intention to race at the Encino Velodrome at least one week before race day will have their entry fees waived courtesy of the Encino Velodrome Association.

Women who register to race against the men in the Pro/1/2 omnium races at the Encino Velodrome in 2008 will have their entry fees waived courtesy of the Encino Velodrome Association.

The Bob Hansing Memorial Cup Series omnium categories for 2008 are: Juniors 12 & Under, Juniors 13-16, Women (1-4), Masters 40+, Masters 50+, Masters 60+, Category 5 Men, Category 3/4, and Pro/1/2. Masters 50+ and 60+ will race together but be scored separately. Juniors 17-18 will race their license category. Boys and girls will race and be scored together in the 12 & Under and 13-16 categories. Trophies will be awarded at the end of the series to the best overall, best endurance racer, best sprinter and most aggressive racer in each category based on points earned in each race. A trophy will also be given to the two best riders in the Madison races. One point is earned in each category for every event entered, plus 7 points for each first place, 5 points for each second place, 3 points for each third place, 2 points for each fourth place, and 1 point for each fifth place finishes in each omnium, sprint race, endurance race and Madison. Racers earn additional points towards the "most aggressive" competition based on points decided by the race director. Points remain in the category in which/for they are earned and will not be combined or transferred from one category to another. Racers may win awards in more than one category, but can only win one award within each category. Within each category, each award will be awarded in the following order of precedence: best overall, best endurance rider, best sprinter and most aggressive.

Hansing Event Prizes

Product Value & Awards	1st	2nd	3rd	4th	5th	6th

SCNCA So Cal Cup Series points will be awarded in designated events at the Encino Velodrome in three categories: P/1/2, 3/4, and Women 1-3. Points will be awarded at events held at each of Southern California's velodromes: the San Diego velodrome, the ADT Event Center, and the Encino Velodrome. The point totals from events held at all three tracks will determine the cup winners. Points will be awarded 14,11,10,9,8,7,6,5,4,3,2,1 for 1st through 12th place in each race. Points earned in Keirins and Match Sprints will count towards the Best Sprinter award. (Placings in the the flying 200m TTs will be used for seeding the sprint events only). Points earned in the Scratch and Points races will count towards the Best Endurance Racer award. Points earned in Keirins, Match Sprints, Scratch and Points races will count towards the Best Overall award in each category and Best Track Team designation. Racers may enter as many or as few of the events and/or races as they choose, and points stay in the category earned (i.e., if a rider upgrades during the series, the points do not "upgrade" with the racer, but rather, stay in the category earned).
